Please provide us with the following information:

Related Experience:

I understand that the Residential Home Inspections Training Program provided by Inspect4u for which I am applying includes classroom and on-the-job instruction together with written training materials, reports and tools all of which are included in the full tuition fee, depending on which package chosen.

I understand that 100% of the fees that I may earn as a Qualified Home Inspector are mine to keep and that no portion will be paid to Inspect4u. No one employed by or associated with Inspect4u has implied that I will be provided with or guaranteed employment if I successfully complete this course.

Deposit of \$500.00 required to reserve your course date.

I fully understand and accept this.
